### INTERNATIONAL SEARCH REPORT

(PCT Article 18 and Rules 43 and 44)

International application No.	Applicant's or agent's file reference	(Fo		of International Search Report , where applicable, item 5 below.				
Applicant  WEIS, Julian  This International Search Report has been prepared by this International Searching Authority and is transmitted to the applicant according to Article 18. A copy is being transmitted to the International Bureau.  This International Search Report consists of a total of sheets.  X It is also accompanied by a copy of each prior art document cited in this report.  1. Basis of the report  a. With regard to the language, the international search was carried out on the basis of the international application in the language in which it was flied, unless otherwise indicated under this item.  The international search was carried out on the basis of a translation of the international application furnished to this Authority (Rule 23.1(b)).  b. With regard to any nucleotide and/or amine acid sequence disclosed in the international application, the international search was carried out on the basis of the sequence listing:  Contained in the international application in written form.  If turnished subsequently to this Authority in computer readable form.  Iturnished subsequently to this Authority in computer readable form.  Ithe statement that the subsequently furnished written sequence listing does not go beyond the disclosure in the international application as flied has been furnished.  The statement that the information recorded in computer readable form is identical to the written sequence listing has been furnished.  Certain claims were found unsearchable (See Box I).  4. With regard to the title,  X the text is approved as submitted by the applicant.		ACTION						
Applicant  WEIS, Julian  This International Search Report has been prepared by this International Searching Authority and is transmitted to the applicant according to Article 18. A copy is being transmitted to the International Bureau.  This International Search Report consists of a total of	International application No.	International filing date (day/m	onth/year) (Earliest) P	riority Date (day/month/year)				
This International Search Report has been prepared by this International Searching Authority and is transmitted to the applicant according to Article 18.
